

Peter,

Sean was outstandingly wonderful for the ET Tai Chi class today/Friday at 3:00. He was the BEST instructor I've ever had in any state or city or organization — and I've tried plenty over the years in several states, too.

I'm sorry you missed experiencing it yourself, Peter. He worked with us as a large group AND he helped people individually, also. I'm critical as heck, as you probably know, and, if asked, I have NO comments for change in his teaching style and manner.

WOW!!! I was duly impressed and I think you will be delighted with the class, too. So thanx soooooo much for setting it up for us.

Hugs,

Renee
